North County Non-Profit Named as one of San Diego’s “Top Places to Work”

San Marcos, Calif. – November 8th, 2013 – North County Health Services is pleased to announce that it has been selected as one of the U-T San Diego’s Top Workplaces. Out of the top ten large companies in San Diego, North County Health Services ranks at #7.

The Top Workplaces are determined based solely on employee feedback. The [employee survey](#) is conducted by WorkplaceDynamics, LLP, a leading research firm on organizational health and employee engagement.

North County Health Services, or NCHS, is a family of 10 community clinics spanning throughout the North County region. Offering medical, dental and women’s healthcare, NCHS welcomes uninsured patients offering a variety of payment options and no to low-cost services.

“The mission of North County Health Services has, and will continue, to guide the work that we do. Our passion to serve the community is the common thread that runs amongst our 500+ employees. I am very pleased that our effort to build a company that supports employees, their performance and contributions, is recognized. We are honored and proud to be a recipient of this award” says President & CEO, Irma Cota.

U-T San Diego published the complete list of Top Workplaces on November 8. For more information about the Top Workplaces lists and WorkplaceDynamics, please visit www.topworkplaces.com and www.workplacedynamics.com.

About North County Health Services

North County Health Services is a private not-for-profit organization that serves over 60,000 patients annually at 10 community health centers in Carlsbad, Encinitas, Oceanside, San Marcos and Ramona, and through two mobile clinics. NCHS has been providing affordable, quality & comprehensive care to members of our north San Diego County communities who are uninsured or underinsured for over 40 years. Services at NCHS include pediatrics, obstetrics, gynecology, dental care, internal medicine, adolescent medicine, radiology, pharmacy and transportation services as well as community health outreach, prevention and disease management programs. We accept private insurances, Medi-Cal and Medicare. If you are uninsured, you may be eligible for low or no-cost programs based on your income, qualify for a discount or use our monthly payment plan.
