

# Donor Bulletin

NCHS Donor Bulletin | February 2019 | Issue 1

## Save the Date

For nearly 50 years, NCHS has taken pride in being a staple in the communities we serve, largely possible through the support of generous donors like you! Please join me for an amazing evening, highlighting our passionate and dedicated medical professionals who care for the most vulnerable residents of North County San Diego and Perris.

I look forward to seeing you there!

Barbara S. Kennedy, MHA, FACHE  
President & CEO North County Health Services

## In Our Patients' Words

"Dr. Calhoun is an amazing person! She makes my kids feel comfortable--they love her! Best choice I've made was to have her become a part of my family." --Marisol M.

"Our ultrasound tech, Tammy was very patient scanning my daughter's baby! Very knowledgeable, pointed out structures, and answered a ton of questions my daughter had about the pregnancy! She printed out pictures of our baby boy!" --Justin C.

## Ramona Food and Clothes Closet

NCHS is proud to announce we received a \$7,500 grant from the Ramona Food and Clothes Closet to help offset the cost of medical, dental, and behavioral healthcare and medications for our uninsured patients through uncompensated care in Ramona. This grant will help NCHS continue to be a health safety net, providing much needed healthcare services and prescription medications for low-income patients regardless of their ability to pay for services.

## San Marcos Community Foundation

NCHS is proud to announce we received a \$5,000 San Marcos Community Foundation grant to purchase a diabetic retinopathy camera for the NCHS San Marcos Health Center. This camera will be used to provide vital diabetic retinopathy screenings to prevent blindness amongst medically-underserved, low-income, diabetic adults and children in San Marcos for years to come.

## Welcome to our newest board member!
