### Another great Fore for Kids Golf Classic!

#### Raising funds for a healthier future for Ramona

Mike & Barbara Kennedy with Willie Buchanan and Rich Talmo

The NCHS Fore for Kids XIV Golf Classic was held on Tuesday, August 21, 2018 at the beautiful Omni Resort La Costa. Fore for Kids was not just a day of golf, but also included a networking reception, an exciting auction, and fabulous dinner.

Craig Garcia, David Engblom and Steve Kildoo

This successful fundraising event would not be possible without the support from our 37 generous sponsors, 122 golfers, 160 dinner guests, and countless community partners and volunteers. All funds from this event support the new NCHS Ramona Health Center .

Dr. Joely Gardner, Steve Kildoo, Clara & Keith Justus and Michael Kennedy

With 22,000 residents, Ramona is one of the fastest growing unincorporated areas in the county, It's healthcare needs are substantial. The new building will feature expanded dental and medical care, programs in behavioral health, shorter wait times for appointments, up-to-date exam rooms, and a more centralized location. As always, NCHS will also provide our signature comprehensive, compassionate

healthcare across the entire lifespan, from pediatrics to elder care.

The newly expanded health center will increase capacity by 39%, caring for approximately 6,000 patients through 23,000 patient visits a year. This

NCHS Board of Directors

"Dr. Phil" Yphantides earned his medical degree at the University of California, San Diego School of Medicine in 1997. He completed his Family Medicine residency at UCSD in 2000, serving as Chief Resident. Since 2006, he has been with Sharp Rees-Stealy Medical Group (SRSMG) in San Diego, CA. He currently serves as the Medical Director of the Department of Urgent Care, managing a staff of over 80 medical providers in addition to working in patient care. He previously served on the medical group's Board of Directors, as Physician Champion for the group's successful quality programs in Diabetes and Hypertension

management, as Chairman of the Clinical Guidelines Committee, Chairman of the Health Information Management Committee, and as an active participant on several other committees and work groups at SRSMG. Dr. Phil has a contagious passion for improving the quality, efficiency, and empathy of care delivery to patients. Prior to joining Sharp Rees-Stealy, Dr. Phil was the Outpatient Medical Director of a network of Community Health Centers, serving the uninsured and low income residents in the local area.

*Welcome Dr. Yphantides!*

## David Engblom to the Fund Development Committee

David Engblom is a VP Financial Sales Manager with First Citizens Bank and has more than 20 years' experience in the banking industry. Prior to joining First Citizens Bank, he served as Area Manager of Orange/San Diego County for a well-known regional bank. David has had management roles at Citibank, Cal Fed, and Glendale Federal bank. He attended the University of Arizona, has served in leadership roles with Palomar College, Junior Achievement of San Diego, and Habitat for Humanity. Active in the community, he served as a board member of the Boys and Girls club of San Marcos and is involved with several local philanthropic organizations including Rotary and Red Cross. David is married and has two children and when not attending his children's sporting events he enjoys fishing and playing golf.

*Welcome David Engblom!*

## Thank you Kaiser Permanente Riverside

NCHS is proud to announce we received a \$25,000 Kaiser Permanente Riverside grant to increase access to behavioral health services at the NCHS Perris Health Center. This grant will allow NCHS to expand integrated behavioral health in mental health and substance abuse issues and Perris, where patients are routinely screened for referred for treatment as part of their primary care visits.

### The Global Big Latch On Event

*"Breastfeeding doesn't come easy to all, but it is all worth it at the end of the day. When Penelope was born, breastfeeding was painful and hard. It turns out that she was tongue-tied and lip-tied. This was the hardest experience I ever had to deal with, but I was determined to breastfeed no matter what. With the help of my family and WIC, I continued to try until I was able to breastfeed my baby completely. Breastfeeding is now the most beautiful experience I have with my daughter and I'm very thankful I had the opportunity to overcome challenges with breastfeeding."  
-WIC Patient*

*"The fact that I can provide everything my baby needs for food, love, and security and give my baby the healthiest start in life is what makes me grateful about breastfeeding! Thanks for having this event for us." - Beatriz*
